Would you like to be an Event Volunteer

As we all know, events can only be run with the help of many hands, if you would like to volunteer during this event please email: aocra.events@aocra.com.au We would like to know what days and times you are available and if you have any special skills.

We will be putting together a roster for this event. This will be based on how many competitors your club has, for every 4 paddlers you will be asked to provide 1 volunteer per shift to assist in various area, of course if you can provide more that would be great.

Many hands make life work!

THANK YOU FOR YOUR SUPPORT
